

Stanley® S2 Laser Level and Square

The laser level and square projects horizontal and vertical “chalklines” on surfaces. Great for floors, tiles, paneling, wall fixtures, wallpapering, stenciling, wainscoting, finish carpentry, outlet switches, lighting fixtures, wall studs, partitions and much more!

- Projects horizontal and vertical laser “chalklines” on surfaces
- Alignment guide for 90° layout— calculate and turn angles in 5° increments
- Mounts to wall surfaces using re-useable adhesive
- Built for Interior Use
